

## Membertou Family Homes Law (MFHL) Dinner & Info Session

**Thursday, March 30, 2017**

**6:00 – 9:00 pm**

**Membertou Trade & Convention Centre**

All Membertou community members are greatly encouraged to attend the information session on the Membertou Family Homes Law. Dinner will be served to all guests who attend the information sessions.

In 2016, the community voted **YES** on the MFHL, which is now a standing law in Membertou.

This information session is important, as the MFHL now applies to all Membertou band members, and will be explained in detail. Join us for dinner and information that affects us and our future generations. Bring the whole family!
