COMPLETELY SEPARATE LIVING SPACE WITH THEIR OWN BATHROOM (IE NO SHARED LIVING SPACES AT ALL):

• Sanitize hands before leaving the separate room and wear a non-medical mask when outside their separate room

• Avoid being in the same space as other household members

• Have their own bathroom

• Have food and beverages prepared by others and made available in a non-contact manner

• Not share dishes, drinking glasses, cups, eating utensils, towels, bedding or other items with others in the home

• Keep your personal items (such as toothbrush, cups, cell phones, tablets or laptops) separate from those belonging to others

• Not share food, drinks or cigarettes or any other items that are put in the mouth

If this cannot be accomplished, the entire household must isolate.

If there is a person who is vulnerable to COVID-19 in the household, it would be best for the individual to find a different location to isolate.
