WELCOMING THE WORLD

November 12, 2021

Providing Your Opinion on Cannabis Sales in Membertou.

On December 10, 2021 from 9:00 AM to 8:00 PM at the Membertou Trade and Convention Centre in the Jenu Room, all Membertou Band Members 19 years of age and older will have the opportunity to vote on one of following methods on how Membertou should proceed with cannabis sales. Masks and social distancing will be observed.

Who should be permitted to sell cannabis in Membertou?

(Select one option.)

_____ Membertou (**governed** by Membertou)

_____ Individual Band Members (**governed** by Membertou)

_____ Membertou **and** Individual Band Members (**governed** by Membertou)

_____ No one (cannabis should not be sold in Membertou)

(By **governed**, Membertou means that we would establish requirements around the sale of cannabis such as: hours of operation for dispensaries, locations where dispensaries are permitted, who can operate a dispensary, signage, product standards, etc.)

Membertou will not support cannabis sales in Membertou unless there are rules established to govern the sale of cannabis.

For those living off reserve or unable to attend on voting day you may vote electronically at the following web address beginning on November 29, 2021 at 8:00 a.m. and ending on December 10, 2021 at 6:00 p.m.
