

**Job Posting**  
**Highland Fisheries, Glace Bay**  
**General Labourer -Day/Evening Shift**

Join Clearwater Seafoods, a distinguished leader in Glace Bay, and elevate your career as an Elite Seasonal Crab Processor. Immerse yourself in our prestigious crab processing operations, where excellence is the standard and precision is paramount. With comprehensive training, you'll become a master in unloading vessels, hand butchering crab, operating cutting-edge machines, grading, and packing crab sections, and maintaining pristine production areas. Don't just work a job; embark on a journey toward excellence with Clearwater Seafoods.

We're looking for dependable individuals with a strong teamwork ethic, a willingness to learn, and the flexibility to work varying hours, including overtime if necessary.

**Job Responsibilities:**

- Butcher crab by hand with care.
- Operate butchering machines effectively.
- Grade and pack crab sections accurately.
- Keep production areas clean and organized.
- Participate in on-the-job training.

**Key Competencies & Qualifications:**

- Dependable and Reliable
- Excellent teamwork skills, with a collaborative approach to work
- Eagerness to learn and participate in training.
- Ability to work flexible hours and overtime when required.

**Working Conditions:**

- Work environment: Clearwater Seafoods facility in Glace Bay, within a seafood processing environment often characterized by wet conditions.
- Protective clothing and hearing protection will be provided and required.

**Physical Requirements:**

- Moderate lifting required, including bending and lifting weights up to 50 lbs.
- Fast-paced working environment requiring adaptability and efficiency.
